WELCOME

TO SOUTH DAKOTA'S ELITE HORSE SALE

The South Dakota Elite Horse Sale has been a goal of ours for years and is finally coming to fruition. We've always wanted to put on a sale that offers a platform for our great horsemen of South Dakota to be represented on a national level. We are a ranching family that believes in honesty, good horsemanship and a hard days work. We feel that we are selling these select cowboys reputations and ours as much as we are selling these horses.

The horses are chosen from horsemen that we personally know and work with throughout the year. These horses are used year round on the ranch through calving, branding, but also throughout the summer in the rodeo arena as well. This foundation, we believe, insures that these horses can go in any direction.

Rocking Alone Ike

Ike is a fancy 15.2 HH, 9-year-old gelding that we have owned and ridden since he was a weanling. He has been a family favorite and will be missed at out house. He has been hauled to the jackpots in the heading and has a lot of arena talent. In the pasture and branding pen, this horse has seen and done all the chores in all kinds of weather. He is smooth traveling and fancy, one hand broke. Ike has been at the top of the pickup horse string for a couple of years now and has been hauled quite a bit. He is safe for the whole family and always gets the call when there are guests that want to ride at the ranch. Ike does not change with time off, he will be safe and broke the next time you get on. He is gentle on the ground, friendly and very good to catch. He has good manners and is UTD on shots, worming and farrier. FMI or photos and video call 605-641-2942.

4 MAJOR

Consignor: Justin Collins

DOB: 5-27-18 • Buckskin Gelding • REG: 5914085

You can let him sit for long periods of time and he'll ride off like he was used the day before. He's seen many outside miles and is a good horse to use on the ranch. He has been used at the brandings as well as help start plenty of colts. Major has a soft handle, likes to stop, and really wants to ride around. He has a solid start in the arena. Video will be available on the J. Collins Horsemanship Facebook page. Call Justin Collins at 605-569-1306.

5 RY FROSTY LITTLE GUN

Consignor: Rodney Yost

DOB: 6-17-20 • Buckskin Gelding • REG: 6085562

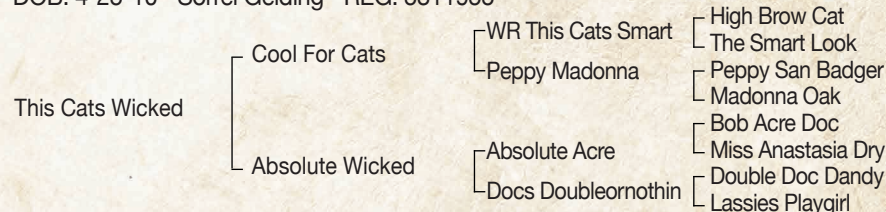

"RY FROSTY LITTLE GUN" Broadaxe Ranch bred, raised, and personally started under saddle by "Rodney Yost Horsemanship", this is one of the most exciting young prospects that we've offered to the public. According to a number of great full-siblings, and maternal siblings, this young gelding should mature in the 14.3 - 15 hand range when he's finished, loaded with cow, a big stopper, great bone and hoof structure, abundant top-end abilities, and all tied together in a gorgeous silky buckskin package, with a wide blaze, and frosty mane and tail. This was Rodney's personal top-pick of the 2020 foal crop, and he believes that this gelding will be an extraordinary representative for our program, and a valuable asset to the new owners on sale day. FMI call Rodney at 605-680-0004 or Erin at 605-770-7624.

14 BLACKJACK

Consignor: Guy Fransua

DOB: 2016 • Black Pony Mare • REG: Grade

This 13.2 HH Approx. 800lb black pony mare has been on the ranch since she was 2 years old. Locally raised and ran in the pasture much of her life, Blackjack learned to travel in big country with the rest of the horses from an early age. She has been handled most her life and was the main transportation and entertainment for a flock of kids until we got her. When started under saddle she was so easy going, but didn't know the controls we like in our riding horses. We began riding her outside, gathering and familiarizing her to the operations and soon found her going as my 10 year old son's ranch horse. We have been to numerous brandings, gathered on her in all weather conditions and she's always been consistent. We've started roping more on her in her 6 year old year with the thinking that she has to be as full grown as she will be, and have since started her heeling. She started on the dummy and has progresses to cattle. Now that this pony is 6, she has been seasoned on the ranch, roping and ready to find her home. FMI call Guy at 605-515-3066.

Our middle boy uses him on the ranch and in Jr High rodeo to breakaway and to head on. Our youngest boy has ranches on him, drug calves to the fire and also heads on him. We have used tank as a mount for beginners and new people to the ranch. 21 FROG

Consignor: Billy & Katie Martin

DOB: 2-1-15 • Gelding • REG: 5670532

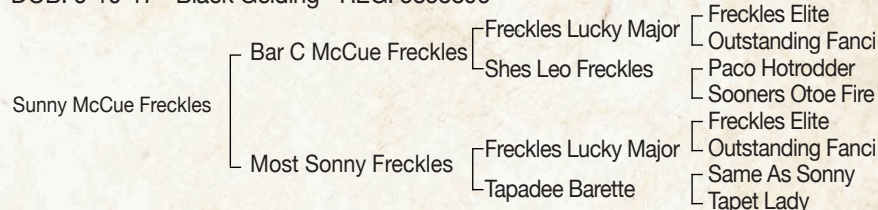

Frog is a cool little big horse that we have ranchd on, drug calves to the fire and roped all winter on and my wife's favorite horse to ride. Frog is continuing his training in breakaway, calf roping, and heeling until sale day with Levi Grimes. Frog will make an amazing arena or ranch horse. He has a tendency to be a little cinchy if you hock it in him but nothing a good warm up can't take care of. He is athletic, cowy and just fun to ride. FMI call Billy Martin at 605-515-0503.

22 GUINNESS

Consignor: Austin & Jessica Grimes

DOB: 6-10-17 • Black Gelding • REG: 5853896

Guinness is a five year old black gelding that we started for a friend when he was two. We thought enough of him to purchase him when he was three. He is really easy going, great traveling ranch gelding. We have given him some time off different times in his life and he doesn't change or get fresh. He has been Jessica's #1 mount through the 2022 calving season. He has become our family's 'go-to' nice gelding and first one to

get saddled when someone wants to have a good day! All three of our kids have ridden him and get along great. You'll notice some online pictures are of him dragging calves for Jessica at Martin's branding in May. He's helped us tag over 400 calves this spring, many from his back with a not-so-nice mama near by! He'll hold a rope for you, doesn't mind running something down or roping something big, he loves dragging calves to fire, doesn't get hot or jiggy and he's not nervous or lonely outside. He really is a nice all-around ranch gelding that is so hard to find right now! Guinness has been team roped on (head & heel) and breakaway roped on quite a lot. He has been hauled a lot of places and takes everything in stride. He'll be shown heeling and breakaway roping the day of the sale and will be ready to finish and haul by anyone. He's a nice friendly people-loving gelding that can go any direction. While I would not recommend him as your next top-end PRCA competitor, he would make anyone a great high school or armature jackpot horse, a great safe ranch horse for anybody and a trail horse or flag/parade horse deluxe. He's the good-looking, sound, young, safe-for-everyone gelding that is very difficult to find and really nice to have in your barn! FMI call Austin or Jessica Grimes cell at 605-488-0440. We have indoor & outdoor arena and plenty of room to come ride prior to the sale SW of Kadoka, SD.

"Blackberry" is as stylish as they come! Not only is he a blue roan with a long mane and full tail, but he is an extremely well balanced gelding with a level neck and a pretty head. He is good in the box, true switch-ender that's been hauled a little and is ready to go. Blackberry is very ratey and easy to catch cattle on. He breaks and runs really flat, gets on his hip in the heading, and finds cattle for an easy shot in the heeling. He's also started nicely in the breakaway. Blackberry has been ranched on extensively by me, my daughter, and my 13 yr old son, through every season. He is gentle and really quiet in spite of being just a little cinchy in the morning with a lot of time off. Does it all smoothly whether its dragging calves to the fire on a loose rein or just easing around quietly through some pairs, he goes where you point him in rough country and you can go at any pace you want. He really is a smooth operator! Please call FMI or to come try him before the sale. Levi Grimes with Dakota Performance Horses 605-441-9271.

DOB: 2016 • Black Pony • REG: Grade

Check out this cool pony! Blackjack has seen it all. All our girls ride him and he is bombproof! Laityn bought some ponies to ride and this one has been her favorite. From ropings to barrel races, flags, goats, roping the heelomatic and carrying flags, he has seen everything. All 3 girls ride him at once. He is suitable for all ages. Laine started riding him when she was 3. Layce, who is 2, gets led around on him. Laramie uses him for a "trick horse", stands up on him and hangs off the side. Our girls love this pony and do everything on him, they just have several to ride. Our girls have moved to bigger horses and just ride ponies for fun. He needs to go to some kids who can use him, because he is way to nice to sit. FMI call Levi at 701-721-9248.

DL Guys Playboy "Shady" He's been there and done that on the ranch. He's been on our ranch since he was a weanling. I started him lightly on the barrels in 2019. Then I got pregnant so he was just ranching. Summer of 2021 I worked him more on the barrels then sent him to AZ with Jenna Humble this winter. He came back just in time for calving & branding season. Shady is my husband Coles main ranch horse. He doesn't have a hot bone in his body. I think he'd make a jam up breakaway horse. If we weren't planning on having more kids soon he'd definitely be sticking around so I could go haul him. He's an EASY keeper. He's definitely a favorite and we don't need him to leave but I just know he could be something with someone who is able to take him and go. FMI call Kyndra at 406-570-7525.

Dual N Maverick - 2017 chestnut gelding. Here is one COOL CAT "Chill" is an OWN son of the legendary High Brow Cat. Breeding like this, a horse like him and at this age, are not offered very often. He is a stout 1250 lbs, 14.2 HH and not a hair out of place. Chill started his career in the cutting and has all the right tools and buttons to go on from there. We have him nicely started in the roping events, but feel he is better suited for heading or breakaway. Chill is cowy, very quick footed and obviously extremely broke. He would be a great horse for sorting, trails, versatility classes, we have even loped him around the barrels a few times. Chill is a kind, friendly horse and comes running when you get to the gate! DOB: 5-20-19 • Palomino Gelding • REG: 5979478

Nice 3 year old gelding I bought as a weanling. I started him last fall as a two year old and rode him off and on through the winter. I used him calving this spring, drug a few calves to the fire, and have even flagged a few colts on him. Soft in the bridle, moves both ends of his body, backs circles, picks up both leads, and is good with his feet. Played into the pink and ruby buckle, and future fortunes. He will have seen a fair amount of ranch work by sale time. He has been very easy to get along with and has plenty of talent to make someone a really nice performance prospect. 43 PEANUT

Consignor: Louie & Amy Brunson

DOB: 2008 • Red Dun Paint Gelding • REG: Grade

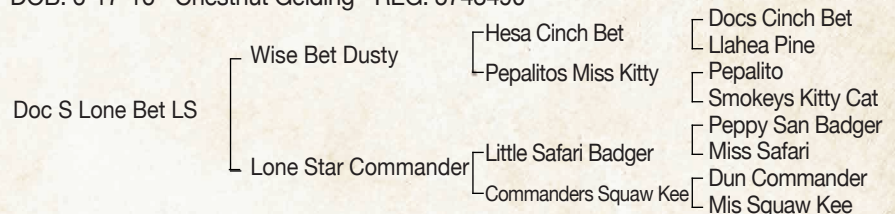

Check out this awesome little been there, done that cow pony. Peanut has drug many calves to the fire and has rode many fence lines. He's a gentle guy that everyone in the family has ridden and enjoyed. Peanut is good to go on a Sunday family ride or pop him in the arena and heel steers off of him or let the kids run him around the barrels and poles. But don't leave him tied to the trailer during the bronc riding—grab your chaps and pick up on him as he will last you all day. He's gathered truck load, after truck load, of cows and yearlings across this beautiful South Dakota country. Peanut is flashy, proud and gives it his all whether at the feed bunk or under saddle. He's a safe horse for the old timers when they are done with their coffee to go ranch on but the grandkids will be hot on their heels to take him away. He is handy broke to sort on in the fall, almost like a cutting horse. Peanut rides one handed and did I mention that he is safe to step on after a long winter getting that hay belly. Let out your cinch and take him to the calving pasture as he's 14.2 hands and he's easy to get on and off, whether you have to rope and tag one or pull the sled in out of the snow storm. Peanut is a true family ranch horse. Please contact Louie 605-488-0385 or Amy 608-575-3872.
