1 TRIGGER

Consignor: Levi & Lindsey O'Keeffe

DOB: 5-3-18 • Palomino Gelding • REG: 5912417

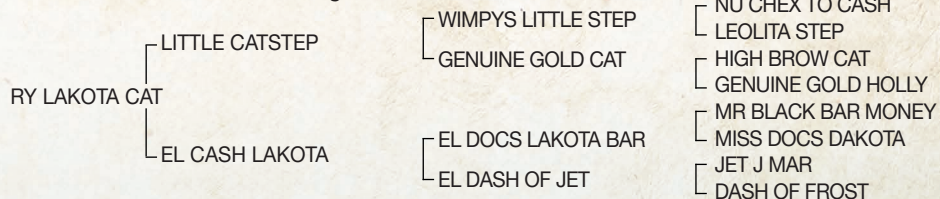

Trigger is a 2018 Palomino Gelding that is a family favorite. This gelding is a very special one to our family. He can truly do it all. He is a switch end rope horse that is equally as good of a head horse as he is a heel horse. He is so easy to rope on! He was raised on the St. Clair ranch where he was used for all aspects of ranch work. Levi has used him at multiple jackpots and as a help horse at the futurities, roping both ends. Lindsey has used him at the jackpots on the heading side. Whether you run one steer or thirty, he will be the same. Our kids ride him all over. He can be left off and come back with no buck or funny business. Trigger rides around quiet and turns heads everywhere he goes. If you are looking for a stand out rope horse that can rope both ends and that you can ranch on, Trigger would be a great choice! FMI call 605-569-0054.

This past March, she won the World Youth Team Roping Pro/Am. "Remi" has also been our family's go-to breakaway horse over the years, always picking up where she left off. Consignor: Robert & Lacey Wondercheck

DOB: 2016 • Pony Mare • REG: Grade

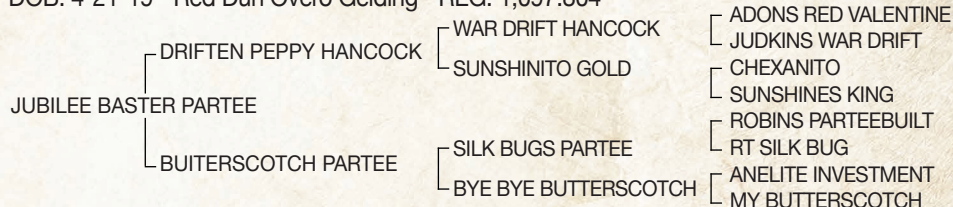

Daisy is an 8-year-old, grade pony mare. She stands 12 hands tall. Daisy belongs to our youngest son, Rio. Daisy has moved cows, she crosses water, bridges, leads good, loads and unloads well. Daisy has been used running barrels, poles, flag racing, and ribbon jerking in 4-H Rodeo and playdays. Daisy has been exposed to crowds, and she has carried sacks of garbage. Daisy has a sweet disposition and is easy for kids to catch. If you treat Daisy right, she will treat you right. We have always respected her and treated her like a horse, not a pony. Please feel free to come visit Daisy at the ranch. We would love to be sure your family is the right fit for our beloved Daisy. Call Robert at 605-206-0962 with any questions.

"Sticker" is a stout-made, 5 year-old, red dun gelding. He is registered as an overo paint. He has been used extensively on the ranch and was my main calving and branding horse this spring season. Sticker is good in the branding pen, dragging calves, sorting, pulling the calf-sled or tagging calves. He's good footed and does great in any terrain. Sticker is a super-sound, durable, good-using ranch horse that has been my personal go-to for the tough jobs around the place. He's been lightly headed and heeled on in the arena for a couple years and he's headed back to the arena this summer. He will be ready for anyone to go on with by sale day. He will be shown in the heading, heeling and tie-down/breakaway and you are welcome to come ride him prior to the sale. Call Austin and Jessica Grimes 605-488-0440 and see Facebook for more info.
