8 PRADA

Consignor: Justin Swires

DOB: 5-15-16 • Sorrel Mare • REG: 5738009

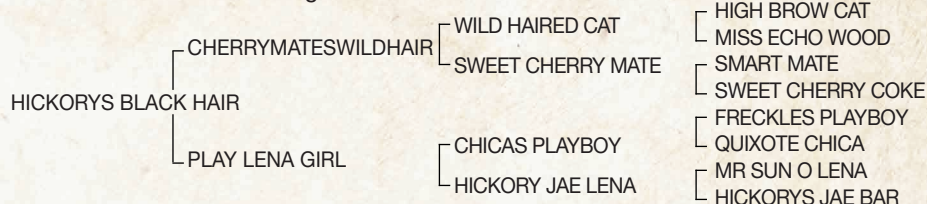

2016 Sorrel Mare "I'm Specials Girl" AKA Prada. I have had her since she was 2 yrs old and slowly started introducing her to the barrel pattern. I began running her when she was 5 yrs old at the local jackpots and in 2024 hauled her to the amateur rodeos in Arizona and she handled them very well. This mare definitely is full of personality and fun to be around, and is so much fun to run. Prada has been a consistent 2D mare with a lot of try! She clocks 17.1-17.5 standard pattern with a short score and clocks 18.0-18.4 on a standard pattern regular score. This mare can run either way but she does prefer the left. We have roped both ends on her and have breakaway roped some calves. FMI call Justin Swires @ 605-850-3932

9 DAN

Consignor: Paul Griemsman

DOB: 5-16-18 • Black Gelding • REG: 6142038

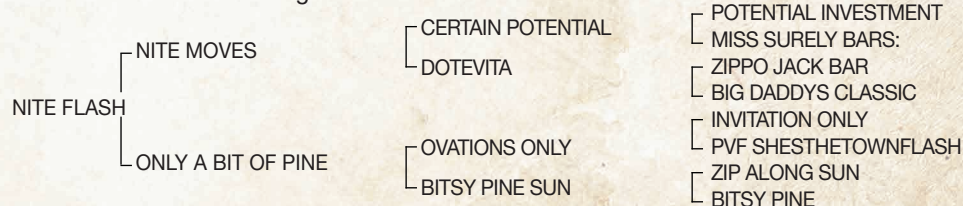

Hickorys Black Hair "Dan" is a 2018 sleek Black Gelding. Just the right size at 14.3hh 1100 lbs. This gelding has the foundation and ability to be your next number one! Dan came off a working ranch in Montana. He's done all the daily tasks and has spent time under wet saddle pads. Broke, tons of cow sense, and can really move his feet. Dan rides between the reins, easy to handle, plenty of rate and can stop. Been hauled to jackpots in the heeling and is showing talent in the breakaway. FMI call Paul 605-484-7117 as always, we encourage interested buyers to come try him. Honest Horses, Honest Answers!

10 FLASH

Consignor: Billy & Katie Martin

DOB: 4-2-20 • Sorrel Gelding • REG: 6023856

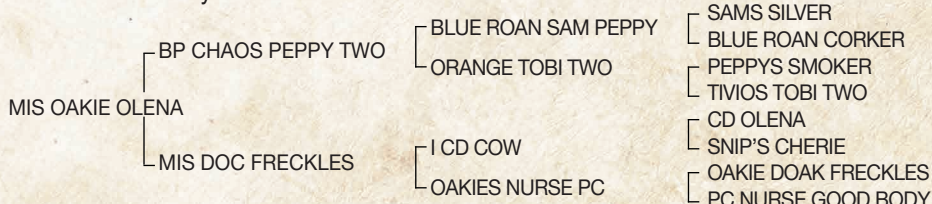

This 5 yr old gelding is one of the nicest horses that I have ever thrown my saddle over. He is quick footed and will absolutely eat a cow. He is a big time heading or barrel racing prospect or keep him as a deluxe ranch gelding. He is super friendly and you can catch him anywhere. He is in your hand when you want to go slow but he is quick as a bullet when you want him to be. FMI call Billy Martin @ 605-515-0503

11 CHERRY

Consignor: Tegan & Teryn Zebroski

DOB: 5-12-21 • Bay Mare • REG: 6134510

She is very talented and athletic, with a kind disposition. Well built, soft in the face, good stop, side passes and spins. Loaded with potential. She's super cowey, and started in the breakaway and heeling. Call with any questions or come try her before sale day! FMI call Tegan or Teryn Zebroski @ 605-431-3133 and 605-431-7162

13 HANK

Consignor: Ted Pettyjohn

DOB: 5-3-11 • Sorrel Gelding • REG: 5368796

Hank is a proven head horse ready to go win at the jackpots or compete in high school rodeo. Suitable for 4 and above ropers he is quiet in the box and gives you a consistent run every time. He stands 15.1 hands with a big hip and a classic quarter horse conformation. There is reining and cutting training in his past and it shows in the way he handles himself. He has all the buttons with a light feel on the reins and will move off leg pressure at any gait. Hank has done and seen it all on the ranch, covering lots of ground in the big country of Wyoming and Southwest Montana. He is gentle and easy to get along with but has plenty of go when you ask for it. This horse has had extensive training by Paul Griemsman and will be shown by Paul in roping at the preview. 21 TOAD

Consignor: Billy & Katie Martin

DOB: 3-15-06 • Sorrel Gelding • REG: 4915702

I have put this horse in the sale 3 times and taken him back out in the last 3 years because he is one of our family's favorites. Not only will he watch a cow better than most horses I have ever been on but he has a country covering walk and he is good for anyone. Whether you want him to speed up or slow down to watch butterflies this horse is cool. He has a lot of years left in his life for someone to use on the ranch or to train a young one to ride. He has been to the high school and 4h finals in the flags, heading, and reining cow horse. He is a top notch ranch gelding. He has also been used as a pickup horse. This is a hard sell for us as he has raised all 3 of our boys. We have owned toad since he was a baby. He is a great teacher in the branding pen, sorting cows or just riding. Anybody that can pick up the reins and understands what to do with them can ride him and we feel like it's time to let somebody else enjoy him. He was kicked about 4 years ago and his back hock fused. If we're going to use him hard or rope on him we give him previcox just to make the day more comfortable, but if its just a normal day we don't worry about him. He loves to be rode and you can catch him anywhere. Our boys still use him as a practice team roping horse, you can run 3 or 30 and he always stands solid in the box. We use him on the ranch daily and every branding we go to. With proper care this horse can still make state or nationals. It doesn't matter how long he is turned out he will saddle up and ride the same every time. I have never in my life saddled one better than Toad. FMI call Billy Martin @ 605-515-0503

Archie stands just under 15hh and has been in my program since the fall of 2024. He is one I have enjoyed starting and am proud to offer. Archie spent this past late winter- spring calving 200hd and working young horses in the round pen in a halter until late march when I transitioned him into a missing link snaffle. He has quickly become a soft mouthed, easy to catch, saddle up and go 3yo. Recently I have taken him to a few brandings and introduced him to the heel side of the sled which he has taken to all in great strides. I have high hopes of showing him in the heeling come July. If you're looking for an honest, sound, well bred, gelding with lots of life and athletic ability I believe Archie makes a great option. I am offering him 100% guaranteed as advised.
