Consignor: Shawn & Kaycee Coleman

DOB: 6-25-20 • Red Dun Gelding • REG: 6079878

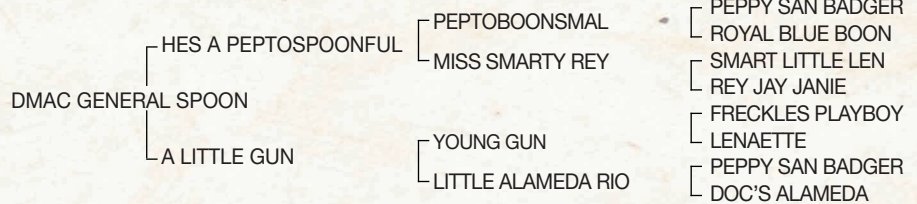

VM Buster Gold Bar is a beautiful, 6 year old red dun gelding. We call him Lil Jon. He stands at 14.2 hands tall and is the perfect size. We have used Lil Jon all over the ranch and put on many miles down the trails. He is broke and quiet. He is one the entire family can enjoy! FMI call Shawn Coleman @ 605-661-2973.

## 2 ACE

Consignor: Cade Hammerstrom

DOB: 3-21-06 • Red Roan Gelding • REG: 4912424

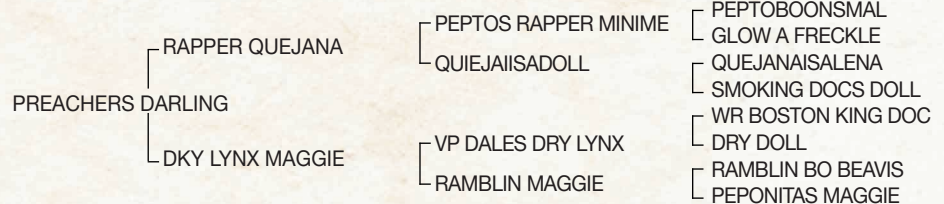

"Ace" is as solid calf horse as they come. He is ready to take a Junior High or High School kid to the next level. Very hard stop and works the rope terrific. Absolutely no box issues, zero maintenance besides regular shoeing and we have never injected him. Been won on at the amateur rodeos as well as high school rodeos. Born in 2006, his age does not reflect on his performance call Cade for more information at 605-515-0321.

## 3 FANCY

Consignor: Kristy Richards

DOB: 4-28-21 • Sorrel Mare • REG: 1,110,937

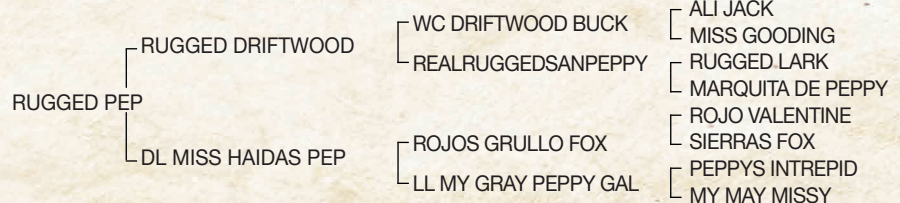

Fancy is a 5 year old sorrel mare that we raised out of our peptoboonsmal stud and a dry doc mare. If your wanting a reliable go all day kind of mare Fancy is your horse. She is not for a beginner simply because she has a big motor. Not hot or mean just likes her job. She has done all aspects of ranch work from sorting, pairing out, dragging calves at branding time, used to halter break colts, she has done it all. Will be started healing and in the breakaway by Paul Griemsmen and is a serious contender to take down the road. She will also be started on the barrel pattern. This mare has all the potential to be a breakaway horse, heel horse, or a 1D barrel mare. Her mother was a proven 1D barrel mare. She would work for team sorting as she will eat a cow, or just sit back and relax while you ride the trails. Super nice mare, side passes, moves off your legs has a huge stop. Don't miss out on her. FMI call Kristy Richards @ 605-641-1403.

## 4 CRACKER

Consignor: Justin Swires

DOB: 5-15-18 • Palomino Gelding • REG: 5914943

Cracker is a freight train. Billy used him to shag bulls at rodeos when he was a 4 year old. We rope off of him, use him for ranch work ad he is awesome in the branding pen. He is the same horse every time you saddle him. I would put anyone on this horse than can hold the reins. I myself am 61 yrs old and recently had a broken pelvis and I trust him 100 percent. This horse has more personality than most people I meet so if you are looking for a bargain it is not Cracker. FMI call Justin Swires @ 605-850-3932

## 5 SMOKE

Consignor: David & Lizzie Yoder | Y Knot Performance Horses

DOB: 2021 • Buckskin Gelding

Smoke is a favorite on our place. Very conformational correct. Smoke excels as a rope horse, ranch or trail. Broke and gentle. Loves attention. Has no bad habits. Anybody can get along with smoke. Will saddle up and ride off the same every day, no matter how much time off. Absolutely 100% in every way. The kind you find 1 in every 100. Comes with our 30 day guarantee. Guaranteed to be sound and will be what we say he is. FMI call David or Lizzie Yoder 307-467-5230.

## 6 PICKLES

Consignor: Kendyn Yost

Black & White Pony Gelding • REG: Grade

"Pickles" is the perfect size using pony, standing right at 14 hands. He's been used on the ranch and knows what a day's work looks like. He's been ridden in the branding pen, used around cattle, and has been used for all ranch jobs. He's not a beginner pony, but would be a great fit for an experienced kid or confident rider. He's ridden and used regularly by the kids, the adults, is trustworthy for a full day's work, will easily cover the same ground as the big horses, and be ready to go again the next day. He's responsive, and has the "been there, done that" experience you want in a solid ranch pony, with the color and eye-appeal to stand out anywhere you take him. Contact or text Kendyn Yost for more information or questions. Kendyn Yost: 605-870-9863 or Wade Yost: 605-680-0819

He truly is a solid, gentle family horse. He has healed cuts on both front feet. Does not affect him. I will continue running barrels on him and roping until sale day. No test riding day of the sale.
