50 STORM

Consignor: Tayzi Herrmann

DOB:2021 COLOR: Paint Mare

Storm is a 5 year old pony, and has been in training since May of this year. She is very sweet to be around. I have done lots of ground work and desensitizing to lots of things such as flags, tarps, ropes and more. Saddle work in and out of the arena. She is great with her surroundings and where her feet are, stepping over logs and obstacles better than my seasoned barrel horse. At just 5 years old she has not been around and introduced to all things yet, but she adapts quite well. She would be great for a younger rider with a good hand, but also larger enough for a small adult. She is quite the pony, very calm and she really steps out nice and can keep up with the big horses, but also rides out alone. She even took Grand Champion Halter Pony at the Butte/Lawrence county fair! Storm picks up things pretty quickly, so would be plenty capable for much more than just an around the place trail horse.
